Grazing Tables & Platters

The Maryborough Services Club brings you a unique selection of Grazing Tables & Stations.

Grazing Tables & Stations allow your guests to help themselves to the food on offer.

Whatever the event, a Grazing Table can add that extra Wow Factor to the party.

From Antipasto tables between wedding ceremonies and receptions or a Slider Station for a birthday party or the Mini Dessert table for a sweet ending to your event.

Grazing Tables not only taste delicious but look amazing too!

Grazing tables have become an increasingly popular addition to any event, from post ceremony or guest arrival to a late-night snack.

We use only the best quality products for our Antipasto and Cheese Grazing.

Our Cured Meats & Cheese are high quality, we marinate our roast veg in house, make our own dried fruit and nut mix, make our dips from scratch & source the most delicious seasonal fruits at the time of event.

Our individual items for the Antipasto can change week to week depending on the best quality and seasonally available produce we can source.
